

CITY OF AOPKA CEMETERY RULES AND REGULATIONS

1. All coping and slabs must be even with the ground.
2. Graves shall not be covered with rocks or gravel.
3. No homemade markers or coping may be installed without approval of the City Clerk's office and Cemetery Personnel*.
4. Fences around the grave sites are not permitted. Fences already installed (prior to June 15, 1983) will be allowed to stay until they become unsightly, damaged or a hazard.
5. No trees or shrubs may be planted without prior approval of the Cemetery Personnel*. The Cemetery Personnel* has the authority to reject planting of undesirable trees.
6. Family members are responsible for the appearance of grave sites, but the Cemetery Personnel* has the authority to remove unsightly plastic flowers, glass flower containers when empty, and empty flower pots.
7. Markers in the designated Cremains section are restricted to ground level markers only.

APPROVED BY THE AOPKA CITY COUNCIL ON JUNE 15, 1983.

*All references to the Cemetery Personnel were originally the responsibility of the Parks Department.
